Health Assessment For Nursing Practice, 5e

Synopsis

Today's nursing students are busier and more pressed for time than ever. The 5th edition of *Health Assessment for Nursing Practice* by Susan Wilson and Jean Giddens is designed to help you make the most of your study time with a user-friendly approach and a complete collection of flexible, efficient learning tools. It's everything you need to master the core assessment skills essential for clinical practice! Straightforward, easy-to-understand coverage gives you the knowledge and confidence you need to perform a complete physical examination. Clear differentiation between basic skills and advanced procedures or special circumstances helps you pinpoint essential content. Unique, two-column format provides you with a visual distinction between normal and abnormal findings and techniques.
