La Conquista De Mexico (Spanish Edition)

Synopsis

This book integrates the work of Bernal Díaz del Castillo on one hand and the contributions of Fernando Orozco Linares on the other. This fascinating work updates the narrative of the Conquest. It seeks to conserve the essence of style while collecting each step of events in history. It masterfully describes the characters, battles, intrigue, and condemnable facts that shaped it. Este libro integra, en una redacción original, por un lado, algunos fragmentos de la crónica de Bernal Díaz del Castillo, Historia de la Conquista de la Nueva España, y, por otro, las aportaciones de Fernando Orozco Linares, investigador en historia, lo que da como resultado una obra fascinante que actualiza la narración de la Conquista. Se trata de una obra que busca conservar la esencia del estilo de la época a la vez que recopila paso a paso los acontecimientos de este suceso histórico y describe magistralmente los personajes, batallas, intrigas, heroicidades y hechos condenables que lo conformaron. --This text refers to an alternate Paperback edition.
