Customer Reviews

This is historical mail order bride story. Maggie was kicked out of the orphanage when she was

fifteen. At the time she worked in a cafe and lived in the pantry. Maggie found a old man who had been a soldier in the Civil War, in the ally behind the cafe. She began to feed him and got him a shed behind the cafe to stay in. He became her Grand Pa Tim. Grand Pa found a little apartment for Maggie to live in and walked home with her every night to keep her safe. One night he told a short cut through a alley and over heard a plot that would change both of their lives. This is an unusual book but I enjoyed it.

This book contains just the right amount of suspense, clean romance mixed in with the MAIL ORDER BRIDE plot to keep me reading, almost too much! I have read all of the stories in this set by Terry Grace and I was very pleased and highly recommend!!

Was a. Well written book. How Maggie went with her grandfather to warn a man about his mail order bride.

Wonderful story. Maggie starts her life off alone, gains a grandfather, then a husband, only to find herself alone once more. Beautiful story. Good clean read.

It was very interesting how the story brought all the people into each other's lives and explained how the real Maggie ment to do away with Nathan

I enjoyed this realistic story. The crime part added another thrill and I read the reunion with tears in my eyes. Will recommend to family

Another great book. I have enjoyed every word and could not stop until I had read it all. Thank for your books, and goodnight
