The Dive Sites Of Mauritius

Synopsis

One of a series describing dive sites of the world, this volume covers the coast of Mauritius. A varied range of topics is discussed, including general diving conditions, learning to dive, tips and techniques as well as equipment. A number of dive sites are described, providing practical information on bearings, access, depths and temperatures, as well as maps, interesting features and information boxes, with advisories at the end of each region. Other information includes marine conservation, the divers code of practice, safety measures and first aid, underwater photography, a list of marine organizations, and advice on where to stay. --This text refers to an alternate Paperback edition.
