## Customer Reviews

Nina Laden is the author and illustrator of many books for children, including Peek-a Who?, one of Scholastic Parent & Child magazine's 100 Greatest Books for Kids, and Are We There Yet? She lives in Seattle, Washington.

Super cute book! Bought this for my best friend's son's 1st birthday (I gave him a train-themed gift). It's good quality, short and sweet, and perfect for little ones.

It's okay. Not as good as the original. Peek a Who is our daughter's favorite. The others aren't very notable. The illustrations sure are cute though.

Perfect gift for babies

My baby LOVES these Peek-a books!

My kid loves this book.

Not nearly as great a peek-a-who. Much less exciting characters, like a canoe. Stick to the original.

Book is fun and is fascinating to the 8 and 5 months old babies I am reading it to. The last mirror page is an asset.

There are more in this series, great for travel, 1 year old love it!
