Memes: Parents Trolling Their Kids!! - PART 2 (Memes, Parents, Minecraft, Wimpy Steve, Kids)

Synopsis

Welcome to this very special edition **Part 2 of "Parents Trolling Their Kids!"** Parenting is undoubtedly one of the toughest jobs in the world! We love our parents because they care for us and love us in spite of all the crazy, stupid things we do. But sometimes, our parents can love us a bit too much!! From leaving us hilarious notes of chores to do around the house to sending us awkward and embarrassing text messages, some parents take trolling to whole new level! You loved the first edition so much that you asked for more! So we dug around some more and uncovered a treasure trove of more parents trolling the hell out of their kids - With hilarious results!! Sure, it's hard to be a parent but if there is anything these parents prove, it is that it doesn't always have to be hard! In fact, the hilarious parents in this edition seem to have a pretty good time doing it. Sure, their sense of humor probably drives their kids insane, but they'll learn some sort of lesson out of it...right? In this very special once-off second-part edition, we bring you more of the funniest, craziest and most outrageous messages parents have ever sent to their kids!! Enjoy!!
