The Rough Guide To Oman (Rough Guide To...)

Synopsis

Oman is one of the world's most exciting emerging tourist destinations-offering a genuine taste of old Arabia and an oasis of traditional culture amidst the frantically modernizing Gulf states. The country boasts a string of captivating attractions. Scenically, it's one of the region's most memorable destinations, from the craggy uplands of the Hajar mountains to the spectacular fjords of the Musandam peninsula and the dramatic dunes of the Wahiba Sands. Culturally, the country boasts a variety of absorbing sights, ranging from the traditional souks of Muscat, Nizwa, and Salalah to the atmospheric mudbrick towns and towering forts of the interior. The new Rough Guide to Oman is the first in-depth guide to this fascinating country, complete with detailed coverage of all sights, new state-of-the-art maps, and practical information including comprehensively road-tested information about driving and walking routes both on and off the beaten track. Originally published in print in 2011. Now available in Kindle format.

Customer Reviews

There is not a lot of good travel information about Oman, and this is a good, basic book. Could use more detail and updating.

Spot on! Much information that no other publication has. LP is poor in comparison

Excellent. I have just come back and found it really very informative. Could not have survived without it. It was spot on

It is a little difficult to find good, accurate info about Oman, but this helped us a LOT so we are happy to recommend it for your consideration...

Great book, very detailed and informative. A must for serious traveling in Oman.

Great guide book of Oman. Lots of good information on places to check out and great at providing the history on the areas.

Good stuff, but a little thin on beta. Definitely the 30,000' view. Best get a real travel book if you plan on actually getting off the plane.
