Customer Reviews

Alison Booth is Associate Professor of English at the University of Virginia. Her research interests focus on Victorian literature and feminist theory and criticism, and her teaching at Virginia has ranged from "The Nineteenth-Century British novel" to "Utopias and Science Fiction." She is the author of *Greatness Engendered: George Eliot and Virginia Woolf* and editor of *Famous Last Words: Changes in Gender and Narrative Closure*. Kelly J. Mays has taught writing and literature courses for 25 years at Stanford University (where she earned her Ph.D.), in the Harvard Expository Writing Program, at New Mexico State University, and (since 2001) at the University of Nevada Las Vegas, where she is now an Associate Professor of English. A British literature specialist whose work has appeared in *Victorian Studies*, *Victorian Poetry*, *Critical Inquiry*, and other major scholarly journals, she is currently at work on a book exploring when and why nineteenth-century Britons began to label their age, their literature, and even themselves "Victorian."

Usually I hate having to read school books. I bought this for my Columbia College English Comp II

class and this book contains a lot of stories and poems to catch a readers attention. The book somehow makes learning how to write persuasive or any other type of essay more interesting than it would seem to a person that dislikes writing all together. I actually wrote less because of the helpful notes in this book.

very good product. It was well designed. Description fits perfect to the Item. Great buy. I will definitely recommend it.

I thought this was going to be just another textbook, but it's filled with amazing stories & poems. This is one that I will not sell back, but keep forever for the amazing literature. So happy with this one. I love to read & plan on reading every story, poem & play in this book.

I bought this book full well aware that it was used. However, I feel that it's in pretty bad shape. The front cover has damage, a lot of the corners on the bottom right portion are ruined and it's covered in hair. Eew. I don't think I will buy from this seller again.

Just as described and arrived at the right time

I enjoy reading this book

great

Sold just as described, Great!
