Learn German With Paul Noble, Part 3: German Made Easy With Your Personal Language Coach

Synopsis

Paul Noble is a genius with a higher IQ than Einstein. Despite this, he still struggled with language learning at school. He found himself feeling "confused, incapable, and unable to really say anything". As a result of his negative early experiences, Paul has come up with a groundbreaking new method of language teaching that removes the need for months of study. With Paul Noble, everyone really can speak a language. Part 3 of the course covers: Taking a train Time phrases The past tense A brief encounter A native-speaking German expert helps Paul to deliver the course and to perfect your pronunciation. No complicated grammatical explanations, no writing - no stress. Learn over 6,000 words in no time at all and - most importantly - learn how to make your new vocabulary work for you. A downloadable booklet is also included to use as a reference and revision tool. Learn German with Paul Noble combines an exciting, new, nontraditional approach to language learning with the easy, relaxed appeal of an audio-only product. No books. No rote memorisation. No chance of failure.

Customer Reviews

BUT DON'T BUY THIS ONE (#2, or even #3 for that matter) BECAUSE IT IS THE SAME AS THE FIRST HALF (and then 3=second half) OF THE "1" VERSION! At least it was in my audible version purchase --This work by Paul Noble is absolutely fantastic, and because I moved through the "Learn German ("1") with Paul Noble" as fast as I could, I bought what I thought was "Part 2" (advanced beginner?) and "Part 3" (upper advanced beginner?). Is it a cultural thing to have #1 be a full lesson of over 12 hours, and then "2" and "3" NOT BE a continuation but "2" and "3" to simply be the first one broken into a first half and second half? IF AVAILABLE FOR LESS MONEY STILL, BUY

I've listened to all three tapes as I'm driving, and it is truly unbelievable how much I've learned. I was fairly fluent in German back in 1968, and I've not used it since. I am just so sorry that there are no more tapes...I recommend this series very, very highly. I did turn the speed up to 1.25 and 1.5 for the third listening and speaking. Excellent course!!! And fun!!!

This audible book is a continuation / repeat of book 1. Books 2 and 3 are the same as book 1 with slightly different grammar, but no new words. While my grammar will be great. I will only understand a few words. I had to go elsewhere to broaden my German vocabulary.
