Ethical Dilemmas And Decisions In Criminal Justice (Ethics In Crime And Justice)

Synopsis

Packed with current, real-world examples, **ETHICAL DILEMMAS AND DECISIONS IN CRIMINAL JUSTICE** offers comprehensive, balanced, and practical coverage of ethics across all three arms of the criminal justice system: the police, the courts, and corrections. Readers not only find coverage of the philosophical principles and theories that are the very foundation of ethical decision-making, but also the latest challenges and issues in criminal justice--the war on terror, privatization, community corrections, the death penalty, the effect of the economic slowdown on the CJ system, the misuse of power/discretion by elected officials and/or other public servants, and much more. In addition, real-life cases and situations demonstrate the significance of ethics in today's world of criminal justice for those studying or contemplating a career in criminal justice. Available with InfoTrac Student Collections <http://gocengage.com/infotrac>.

Customer Reviews

Dr. Joycelyn Pollock is a Distinguished Professor in the School of Criminal Justice at Texas State University. Dr. Pollock's many published works include **WOMEN'S CRIMES**, **CRIMINOLOGY AND CORRECTIONS**; **CRIMINAL LAW**; **PRISONS AND PRISON LIFE**; and **MORALITY STORIES**. She received a Ph.D. from the State University of New York at Albany and a J.D. from the University of Houston. She received the Academy of Criminal Justice Sciences Fellows Award in 2015 for contributions to criminal justice research and education.

The book was in great condition and as advertised. I was able to conduct my studies knowing that I had the reading material.

The book itself is in good condition, I just found the topic of CJUS Ethics to be slightly boring.

great quality

Definitely an interesting book, up there on my list of favorite textbooks for sure.

Although I didn't have to use it as much as I thought I would, I found it useful for my class. Good condition.

Great condition as advertized and showed up well before estimated latest delivery date. I will definitely keep this company in mind next order!! Another great thing is that my college change requirments on me and I had to return it. I was able to do that hassle free!

I like the progression from ethics history to theory and application. It was an enlightening read with or without a criminal justice context. This should be a professional read for employees.

Great book! Meet expectations
