Dangerous Minds: A Knight And Moon Novel

Synopsis

NEW YORK TIMES BESTSELLER  The irrepressibly charming duo of Emerson Knight and Riley Moon returns in another gripping mystery by #1 New York Times bestselling author Janet Evanovich. Buddhist monk Wayan Bagus lost his island of solitude and wants to get it back. The island was about two hundred miles northeast of Samoa. It had a mountain, beaches, a rain forest, and a volcano. And now it s gone. Poof! Vanished without a trace. Brilliant and boyishly charming Emerson Knight likes nothing better than solving an unsolvable, improbable mystery. And finding a missing island is better than Christmas morning in the Knight household. When clues lead to a dark and sinister secret that is being guarded by the National Park Service, Emerson will need to assemble a crack team for help. Since a crack team isnt available, he enlists Riley Moon and his cousin Vernon. Riley Moon has a Harvard business degree and can shoot the eyes out of a grasshopper at fifty feet, but she cant figure out how to escape the vortex of Emerson Knights odd life. Vernon has been Emersons loyal and enthusiastic partner in crime since childhood. He now lives in an RV behind Emersons house. Together, this ragtag, mismatched trio will embark on a worldwide investigation that will expose a conspiracy one hundred years in the making.

Customer Reviews

Janet Evanovich is the #1 New York Times bestselling author of the Stephanie Plum series, the Knight and Moon series, the Fox and OHare series, the Lizzy and Diesel series, the

Alexandra Barnaby novels and Troublemaker graphic novel, and How I Write: Secrets of a Bestselling Author. --This text refers to the Hardcover edition.

I love Janet Evanovich. I read a lot of her books. This series is no surprise with its quirkiness. She has a great thing going with these books. I am enjoying them immensely. Ok So a lost island How do you lose an island? Well you will be surprised in this book. It can happen. So Riley and Emmerson are off on another of his wild adventures. I must say that I am really digging the quirky eccentric man. Some of the things he does, your like wow! No he didn't. In this book the chemistry between Emerson and Riley starts to simmer. Not really heat up per say, since they are really slow at the whole idea of a relationship thing. Maybe it is because Emerson is well. how should I put this. He is an extremely eccentric billionaire. His mind is moving a mile a minute. Not to mention that Riley sees Vernon naked more than any one. Awkward!!!! In this book his monk friend Wayan was drugged while meditating on a desert isle. Then he wakes up on another island. Having been evicted from his meditation home by park rangers, he tries to return to his island only to find it completely gone. So he seeks out Emerson to help him find it. Not only is an island gone, but people are dyeing or going missing from national parks at an alarming rate. The government is hiding something. I mean islands don't just disappear and people don't just have a ton deadly accidents while visiting national parks, right? This book was a wonderful adventure. I really am enjoying this series. The banter between Riley and Emerson is cute and funny. The things Vernon says cracks me up. He is a nut job. Emerson may be an eccentric billionaire with a big brain, but he is Riley's hero and I feel that these two will develop stronger feelings as the stories go on. I don't exactly think that Emerson knows what to do with the feelings or how to express them, but it is funny watching him try. If you are looking for a little danger mixed with comedy, then this is the book for you. So pick it up today.

I've read almost all the fiction Janet Evanovich has written, and love most of it. I lived in Trenton while I first started reading the Stephanie Plum series. So naturally, I started this newer series. The first Knight and Moon story was very good. The characters are a riff on other Evanovich characters. (Think of all that Plum, O'Hare, and Moon have in common!) But this second book in the Knight-Moon series was a disappointment. Yes, it was fun. But it was quite far-fetched and

unbelievable! The characters get out of scrapes that no one else could possibly escape. They are fun, but totally unreal.

A Buddhist Monk has lost his island, yes you read that right. Knight and Moon are going to help him find it. I really liked the first book in the series but this was definitely not my favorite. It stretched credibility a bit too far. There were all sorts of crazy characters but I didn't find it nearly as funny as the first. I also found myself skimming parts of the book. It seemed to jump around a lot and was a bit confusing, maybe because I skimmed? I hope the next book is better.

Emerson and Riley are on another adventure. This time Emerson's cousin, Vernon, and friend, Wayan Bagus are along for the ride. Wayan Bagus contacts Emerson because he was drugged and kidnapped from his island and when he recovered, the island was gone! Of course, this was a problem that intrigued Emerson. There were moments of humor and fear in this story and even a little romance. I enjoyed the story.

I love love loved it. I am sure there will be more because we need more of Vernon and Alani and we need to find out since he has no island to go back to what will happen to the monk and will they finally get to see each other naked.

This is a fun read. Not really in the possibility of really happening, but something to think about. This book kept my attention and I wanted to discover how it ended. I would recommend this to all Evanovich readers.

This book is fun to read. I love reading books by this author there are some amazing facts about cows, volcanos, and the RoughRiders. Recommend you read this book and find out!

I love the Evanovich Stephanie Plum series and the Fox & O'Hare series. This series, however, is just OK, not up to Stephanie Plum standards. If you need SOMETHING to fill some time while you are at the beach - this would fill the bill. But I found myself not really caring about the final outcome of this story, or about the characters.
