I Am Number 8: Overlooked And Undervalued, But Not Forgotten By God

Synopsis

If God can take David - the invisible eighth son of a forgotten family - and turn him into a king, just imagine what magnificent plans he has for redeeming your life. David was born a number eight - a hidden gem, often overlooked and undervalued by everyone except for God. For David, being a number eight seemed like a curse until the day God transformed him from the unknown eighth son of Jesse into the much-honored king of Israel. When God sends out an invitation to greatness, his directions don't always make sense to us. You may feel like the most invisible, broken number eight out there, but God sees your hidden value and is growing you for better things. David didn't know it, but his time as a simple shepherd with a dull future did not go unnoticed by God. In David's darkest moments, he was cultivating the kind of gifts, wisdom, and leadership he would need to become a king. Even when you're an underdog in the eyes of the world, God is working behind the scenes to develop you into a king or queen.

Customer Reviews

excellent

Simply Awesome and on point....A must Read....and I am only on second Chapter....

I just couldn't put it down once I started reading it... I so loved this book...It is very recommended. :-)

This book ministered to me totally. Your story mirrors my own in terms of internal challenges. It is

refreshing and encouraging to see what God has done with your life and to truly understand that my pain has purpose. Keep on keeping on my brother from another mother. I love you and appreciate your ministry. Be blessed.

I think that although the book tries to put a person as a 'number 8' quite rigidly (making it completely unrelatable if you don't identify yourself as one in the early chapters of the book), the openness that John writes with, and the inspiring message he brings from God's revelations in his life and King David, really brought inspiration to my life.

I am number 8. This is a confirmation of who I am. So many of the stories shared reminded me of my own stories and experiences. Yes I am number 8!!!!

Consistently wonderful.

Truth and faith in every word.
