Customer Reviews

I live in Hawaii. Rice is a mainstay in our diet. Most households have a rice cooker and many know how to cook rice in a pot. This book expands on all that.. Many delightful recipes in here. I never had even thought of cooking rice in wine. This book will be well used in my home.

Love everything we have made so far. This book has great recipes and gives some ideas on preparation that I have never read anywhere before.

Good easy recipes for all types of rice dishes.

Inexpensive ideas for a simple grain.

An excellent recipe book for those who could eat rice everyday. I love the combinations of rice recipes. Can't wait to try them!!
