With words by song writer, Marty Nystrom and illustrations by artist Steve Bjorkman, "Zack, You're Acting Zany" will make a great addition to anyone's library -- young or old. This book pairs brilliantly with their previous book, "Don't Mess with Moses!" It will be a great inexpensive gift set. The title poem, "Zack You're Acting Zany," delightfully illustrates the story of Zacchaeus, a man of small stature who climbed a tree beside the road so that he could see Jesus as he walked by below. The book contains over a hundred such poems in catchy rhymes that sing when read aloud. I bought five more of these books to give to my adult grandchildren. The first, I'm keeping myself to read aloud to my great grandchildren. It's a wonderful, wonderful book!

Fabulous book to give for gifts. The poems make the new testament stories understandable with a little twist of humor.

This is the most whimsical, jolly, imaginative way to teach kids the love of God. It's a true inspiration, even for adults. Zack, You're Acting Zany and Marty Norstrum are the closest thing to Dr. Seuss I've seen in years.

Great book. I enjoyed reading it to my Grandchildren, and then listening to them to read it back! Very inspirational with a strong message of faith.

Very good poems. They are funny and good for teaching kids about messages in the Bible.

I use this book, as well as Don't Mess with Moses on a regular basis as I teach adult Bible Study.

My kids and friend's kids love these Bible poem books!

Want your kids to love the Bible? Then introduce them to the stories of the New Testament in this fun and whacky book of poetry by well-known song writer Marty Nystrom. Illustrated by Steve Bjorkman, every page made me smile and/or think. Makes me wonder if Marty is really an 8-year-old disguised as a forty-something. I can hardly wait until my grandchild is old enough so I can read these aloud to him. Teachers and pastors can use these poems to illustrate their lessons in a fun way.
