A beautiful book, every other page has a picture for you to color. The pages are very much nicely printed. The hard cover is gorgeous.. I use my book for taking notes while I am on the internet it's the perfect size.. I have ordered a few others similar to this one, that one was just as lovely.

Live Love and Laugh is my favorite phrase as an adult and this is so pretty on each page as I color it and several I've cut out and hung on the living room wall cuz they're so lovely n I love the colors I make them too.

Lovely! Great quality and good for the price. It's so cute I'm not sure what to write in it anymore.

Love this journal. Highly recommend.

Nice hard-bound journal with a pretty cover and an elastic closure. Occasionally there are drawings that can be colored. Paper is heavy enough for original artwork and maybe even dry collage. It came in a resealable plastic wrap for continued protection.

Nice.

I've been looking and looking for a journal. This was perfect. Some coloring pages and a place to keep my notes. The paper is of a heavier weight and it's a well-made book.

Bought for my 10 year old niece for Christmas as she's into journaling and coloring. She loved it Super cute and durable. Pages don't stick together. Very happy with this purchase!
