Black's Law Dictionary, 1st Edition

Synopsis

Reprint of the rare first edition of the classic American law dictionary, now in its tenth edition. Originally published: St. Paul, Minn.: West Publishing, 1891. x, 1253 pp. Contains definitions of the terms and phrases of American and English jurisprudence, ancient and modern (including the principal terms of international, constitutional, and commercial law). There is also a collection of legal maxims, as well as a bibliography of the principal law dictionaries in English and other languages to 1891.

Customer Reviews

Dream came true...Isaiah 54:17 and Jeremiah 33..now I have my BLACK'S LAW ...I love it. two thumbs up..

Thank you so much for giving me an original resource and check on my original lawful freedoms and see how THEY are hiding the truth from me like THEY are with the modern Bible versions! You cannot change my book once it is in my hands! You can change the words of a book on kindle!

Good Dictionary

Will be very helpful, supportive, and a great addition to my library to aid me in all my researches on laws.

great book. i like it.helps alot to no.

A quality reprint for those who want a working volume as opposed to one just to sit on a shelf and look impressive. However it would serve that purpose also.

It was suggested that I should read this book cover to cover. I am sure that will take a long while. It is especially interesting to find out what our judicial terms really and truly mean. AWESOME READ!!!!

The best, I must purchase the 9th edition to get the full understanding of how word magic works. Even my children are amazed at this book.
