## **Customer Reviews**

This is a fun educational, great book for 3 year old and up, children. I started my Granddaughter and Grandsons with The Story of Christmas Sticker Book at a little more than 2 years. I begin by placing the static stickers as I told them the Christmas stories. Soon they were pointing at the people and animals. This was quickly followed by their repeating the names of the people and animals. As soon as they finished one story they would start another. It is amazing how early and easily the grand children learned and remembered many stories of Christmas. The Story of Christmas Sticker Book s reasonable price and good quality, makes it an excellent value. --Jan Greve Pastor's Wife and Retired Christian Education Director, Bible Fellowship Leader, Stephen Ministry Leader
