Customer Reviews

Delaplaine lives on South Beach, Miami's Billion Dollar Sandbar. He writes in widely varied fields: screenplays, novels (adult and juvenile) and journalism. He also has a series of Long Weekend Guides covering some 70 cities around the world. Email: andrewdelaplaine@mac.com He writes several series: The "JACK HOUSTON ST. CLAIR" political thriller novels. "THE ADVENTURES OF SHERLOCK HOLMES IV," a series of novels starring the great-great-grandson of the famous consulting detective. "THE ANNALS OF SANTOPIA" series, an epic that follows a Santa born in 1900 through to his death 82 years later. The AMOS FREEMAN police thrillers. Other novels: "The Trap Door" follows a boy who is taken back in time to 1594 and Shakespeare's Globe Theatre. "The Meter Maid Murders," a comic look at a detective trying to nab a serial killer on South Beach who only murders meter maids. Has written and directed three features (one doc, two narrative features), and won several awards for his film work. (See imdb.com for details). His latest film, "Meeting Spencer," starring Jeffrey Tambor, won the prestigious Milan International Film Festival Award for Best Screenplay. DELAPLAINE's "LONG

--This text refers to an alternate Paperback edition.

Spend a little more & get a real tour book. It appears to be a self published book. Poorly edited with several typos. No map to locate the various venues mentioned. Locates items by neighborhoods, but leaves that info out maybe 1/3 of the time & no way to know where the neighborhoods are. No true insider tips. Hotels/restaurants have \$ symbols to indicate how expensive a place is, but then no guide to tell you what "\$", "\$\$" or "\$\$\$" means in actual dollars. I've had 5 different people all separately mention a "don't miss" barbeque place in Nashville, but not a word in this book (around 100 pages). I went cheap price wise and that's what I got. I should have spent a few bucks more & gotten a real tour book of Nashville.

If you like clip art, this book is for you! Junk- don't waste your money. This book is not like the other book series that use real images of suggested site visits. This is cheaply produced and uses clip art!

I have so many of these delaplaine books. I'm addicted to them. Haven't ordered a bad one yet.
