Ghost Vessel (Ghost Exile Tales Book 12)

Synopsis

Caina Amalas is a Ghost circlemaster, leading the Emperor's spies in the city of Istarinmul. When a string of mysterious disappearances leads Caina to a sinister laboratory, she will need all of her courage to emerge victorious. Or else she might be the next one to disappear... ABOUT THE AUTHOR Standing over six feet tall, USA Today bestselling author Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNER'S GUIDE series of computer books, and numerous other works. His books have sold a half million copies worldwide. Visit his website at: <http://www.jonathanmoeller.com>

Customer Reviews

I really enjoyed this whole series. I loved the character development and the fact that the lead is a strong complex female.

I should have read this one before Ghist in the Winds... This one explained who one of the characters in Ghost in the Winds was!!!

a fun read
