Customer Reviews

Austin Mahone is the sweetest of the teen idols out there right now. With two daughters we see a lot of concerts and have met several of the artists, Austin is just so sweet. This book tells the story of how started out and where he is now. Perfect for any Mahomie!

Bought the Austin Mahone book for my 11 year old daughter and she loves it! It was way thicker than I thought it would be and full of bright detailed pictures. She couldn't put it down until she finished every last page! It is an Amazing Story and well told too. If you are a True Austin Mahone Fan this one's for You!!

The book was fun to read. This autobiography tells the journey of Austin Mahone's life from San Antonio, Texas to being one of Pop music's singing sensations. I recommend the book for fans and non-fans like myself.

Daughter loved the book. She carries it around everywhere. Looks for any and every excuse to pull it out and read. Its hard cover so its durable and I am certain it will last. Was cheaper than what was offered in stores. In the end, a great buy.

Austin wrote such a great book! I would suggest this book not only to someone who likes his music, but to someone who has dreams. It's great to see where such a great kid came from and how the grew up!

I got this for my nephew. It used to be about \$20 when it first came out. I'm glad I got it for a cheaper price.

Gave this book to my 13 year old granddaughter for her birthday because I knew she was an AM fan. Seems to really enjoy reading it.

Loved it
