Customer Reviews

Good vocabulary builder and inferencing practice. Several typographical errors and no access code to an answer guide. Not a problem - my students and I defend our answers and agree upon the best. We're just curious to know the author's answer!

Great book. Arrival time was within a few days. Very, very pleased.

I have 2 students using Books G and H. Now, one is moving to High School, and these will be SO useful.

There isn't much I can say about this book besides the fact that it was in perfect condition when I received it and I received it as quickly as possible. I am very happy with the quality of the item I received from this seller and I highly recommend buying from them.

The item was received exactly as estimated in pristine condition. Very happy about my purchase.

As described and very helpful to my daughter for school, this book was exactly what she needed for her class

Thanks for your help! The purchase went very smooth. I'll be back in the fall for the next addition.
