Perseus: Destiny's Call: A Graphic Novel (Campfire Graphic Novels)

Synopsis

How do you slay that which you cannot look at? This just one of the many challenges that face the young hero Perseus, son of the mighty ruler of Olympus, Zeus. When Perseus was an infant, he and his mother were cast into the sea in a casket. Luckily, Perseus was rescued by a humble fisherman who raised him well. While his life may have appeared destined for mediocrity, the hero in him could not remain hidden as he embarked on a quest in which he needed to slay none other than the terrible Medusa, who could turn any man who looked at her into stone. But this would not be an easy task. He needed weapons, training, guidance, and much more. After all of this, will Perseus be able to answer Destiny's Call?

Book Information

Series: Campfire Graphic Novels

Paperback: 88 pages

Publisher: Campfire; Pap/Pstr edition (January 31, 2012)

Language: English

ISBN-10: 9380741081

ISBN-13: 978-9380741086

Product Dimensions: 6.5 x 0.2 x 10.3 inches

Shipping Weight: 8.5 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 2 customer reviews

Customer Reviews

"The Perseus story is part myth, part faerie tale, part ancient superhero adventure, and part Sword & part Sorcery yarn. Naresh Kumar manages to juggle all of these elements through his imagery, blending several distinct styles in different combinations throughout the book. The effect is shamanic and otherworldly. . . . This tome is an excellent addition to your home library and it won't get dusty as you'll be revisiting it often." *—Hercules Invictus, Voice of Olympus Book Reviews* "I highly recommend Campfire's comics. They do what they are intended to do and do it in a way that excites kids about classic literature." *—Chris Wilson, The Graphic Classroom (a resource for teachers and librarians)* "A popular story theme in

Greek myths is someone trying to forge their own destiny (and failing horribly! Can you say Oedipus?) or trying to discover what their destiny is. Perseus is both sides of this theme - Perseus is out to find his destiny while others try to stop the young hero to thwart their own horrible destinies. The hero is sent on an impossible quest that seems more like a suicide mission, and it is brains, not brawn, that wins the day. I rate Perseus a 9.5 (out of 10)." -- John Tompkins, Children's Librarian/Graphic Novel Specialist

Born in 1974 in Toms River, New Jersey, Ryan Foley's obsession with comic books began during his childhood with trips to the grocery store with his mother where he was first introduced to characters such as Spider-Man and Batman. In 2004, Ryan achieved a lifelong goal when his first comic book was published. When not writing comics, Ryan enjoys all kinds of movies, especially fantasy and sci-fi films such as Star Wars and The Lord of the Rings.

These books are great! My 7 and 10 year old love them and its a great and fun way to introduce them to the classics. Also, they are safe for kids to read without supervision, unlike other traditional comic books that have sexual scenes and bad language.

I had no direct contact with this book as it was sent directly to facility where nephew is an inmate. However, he said the book is fascinating, arrived in excellent condition and he was quite impressed with it. He is interested in all mythology books and very excited about receiving this volume. Thank you
