Best Sellers Rank: #4,111,842 in Books (See Top 100 in Books) #78 in [Books > Teens > Education & Reference > Reference > Dictionaries](#) #3135 in [Books > Reference > Dictionaries & Thesauruses > English](#) #668303 in [Books > Textbooks](#)

Customer Reviews

I give a couple esl classes here in Mexico and am using this book with a college student and a group of 10-12 yr olds. We first do the vocabulary, then read the chapter which then I have them tell me each sentence in Spanish and practice with the cloze method and put the story together using just the phrases under each picture (but without using the pictures). It's helping me a lot with my limited Spanish as well. The chapters are divided into simple present and past tense. Some of the chapters on driving the car and using the answering machine don't apply to anyone, but all in all it seems to be good material.

Great book for beginners.

Our Learning Center found this book very helpful for our conversational English class. It covered vocabulary and the photos follow a process or story, which was helpful in starting conversations. Our ESL program uses it for beginner and low intermediate classes.

I HAVE 38 YEARS ESL TEACHING EXPERIENCE. FOUND THIS BOOK AND IT IS A GREAT TEXT FOR THE MOST COMMON THINGS WE DO IN LIFE. I DISCOVERED THAT EVEN ADVANCED LEVEL FIND THE BOOK A CHALLENGE. ALTHOUGH IT IS A BOOK OF LEARNING

WORDS IT IS GREAT FOR MEMORIZING AND ALSO DISCUSSING THINGS WE DO IN DAILY LIFE. IT WAS OUT OF PRINT FOR A WHILE BUT NOW BACK IN PUBLICATION. HOWEVER I PREFER THE PREVIOUS PUBLICATION BECAUSE OF THE HIGH QUALITY PAPER USED. IT IS A POPULAR STUDY AID FOR STUDENTS AND THE PICTURE QUALITY IS QUITE GOOD.

A great book for basic to intermediate level students!!

perfect for kids

As an adult educator in Santa Monica College's ESL program, I've found this thin textbook to be the most affordable, effective teaching tool for beginning, elementary, and intermediate ESL students. The pictures are clear, the explanations concise, and the storylines realistic. An excellent supplemental text.

Impressive! This is the ultimate step by step, everyday activity, verb based, ESL vocabulary book. It's on my top 5 list of highly recommended ESL books.
