Cameron Jamieson is a quintessential Aussie Bloke. That is, he speaks his mind, is passionately Australian, is down-to-earth and, above all, he does not drink Fosterâ™s Lager beer. Born in 1965, Cameron left school at the age of 15 to become a labourer because it was the social expectation at the time. Thanks to an Australian Army career of over 30 years (full and part-time) he has met thousands of Americans, including his beautiful wife when they served together on a US Navy-led humanitarian mission in Southeast Asia in 2012. In the 1990s Cameron completed a journalism degree with the University of Western Sydney. This allowed him to start his life-long dream of pursuing writing as a career.

Ok, I may be a little biased but having visited Australia, I can say I wished I'd read this first! I read other books with expansive info on Australia but didn't convey nearly as much as this one. It is also quite amusing and made me laugh out loud!

I purchased a copy because I have Aussie visitors every year and I wanted to get another perspective of their humor and to try to better understand their sayings and phrases. The book is very very funny and a great read. I have purchased 3 more copies and give them to people that mention maybe visiting Australia, they always love the book. Buy it you will be happy!

EXCELLENT.

I loved this book. My partner is Australian and I'm American, but have been to Aus for 3 short trips and 1 year long trip and I found myself agreeing with a lot in this book. It was very entertaining to read, and quite informative. And Cameron- I agree with your wife, you HAD to include 'lounge room' in the book! (Curious? You'll have to read the book to understand!)

#AussiesUniteLove this book so much. USA, watch out for us!
