Customer Reviews

Great at teaching the in's and out's of test 473. Gave in depth attention to getting a high score, was like having a tutor on my kindle device that pushed me to reviewing address checking coding and memory can say I am extremely familiar with all the elements of post office exam. --Grace Purvey
Five Stars! Perfect study guide; it helped me score an 85.7 on the postal exam :) --Christine Everett

If you just want to see what the tests look like it's fine but that's not what the description said it was. I was looking for tips and help in taking the tests. You can see what the tests look like online for free.

Very reliable book! I passed the test because of the ideas that were given inside! Thank you!!

This book really helped me pass the exam! It was very informative and the information in this book was very accurate. Much like the real test! Thank you to the author of this book! :)

Test 473 and 473-C are obsolete. USPS uses electronic test 473E now which cannot be bought in book format.

It is a good book to practice the test. However, I wish it would have covered more about post job situation.

My husband now works for the postal service so this is a great resource for the civil service exam.... success!

THIS IS THE BOOK FOR THE TEST!!

Perfect study guide; it helped me score an 85.7 on the postal exam:)
