Kurt M. Resch grew up in the mecca for United States bus transportation, metropolitan New York, and developed a love for buses at an early age. His toy collection of almost 5,000 pieces is displayed in his personal toy museum. Photographer Richard Romagnoli's award-winning landscape images can be seen in galleries, magazines, calendars, and greeting cards. Kurt and Richard previously collaborated on *A World of Bus Toys and Models* for Schiffer Publishing.

Excellent reference book. If you are looking for a descriptive reference on vintage toy buses, this is a very good one.
