Cartographia, organized in 1954, is the largest map publishing company in Hungary. Its tourist, city, and road maps, and atlases, cover destinations throughout Europe and other parts of the world. The firm has also produced cartography for well-known map-publishing houses such as Falk, Ravenstein, Hallwag, Freytag Berndt u. Artaria.

It was what I ordered, but I should have asked for one that covered a larger area and also had a bigger map of the downtown area. My Mistake.

It's a great laminated map of the city. Just be sure it covers your desired area. It is quite focused on Munich center and only a few close-in districts. If you're looking for districts (neighborhoods) further out, they won't be on this map.

Readable, well organized and as complete a map of any European city I have ever seen. Well done folks at Cartographica!

Best map of Munich I've found so far. Need the environs, and this map has just sufficient.
