Best Sellers Rank: #1,639,869 in Books (See Top 100 in Books) #42 in Books > Medical Books > Allied Health Professions > Medical Transcription

Customer Reviews

Paperback 3rd edition by Ettinger. Perfect condition. Fast shipment, free tracking.

I did not realize that a new book would not come with all the accessories. Be careful when ordering. I am taking college classes and need the complete set. I was able to return it to the customer. All I had to do was pay for the shipping. I am just going to order from my school bookstore. I haven't saved enough money to make ordering online worth it. I have had to return more books when I ordered online. If you are not taking classes then this would be a great book to learn by. However, you will learn more by actually transcribing from the cd than reading.
