The Unlikeable Demon Hunter (Nava Katz Book 1)

Synopsis

Winner of the 2017 Raven Award for Favorite Urban Fantasy. Bridesmaids meets Buffy with a dash of the seven deadly sins. The age-old story of what happens when a foul-mouthed, romance-impaired heroine with no edit button and a predilection for hot sex is faced with her worst nightmare—a purpose. Ari Katz is intelligent, driven, and will make an excellent demon hunter once initiated into the Brotherhood of David. However, this book is about his twin Nava: a smart-ass, self-cultivated hot mess, who is thrilled her brother is stuck with all the chosen one crap. When Nava half-drunkenly interrupts Ari's induction ceremony, she expects to be chastised. What she doesn't expect is to take her brother's place among the—until now—all-male demon hunters. Even worse? Her infuriating leader is former rock star Rohan Mitra. Too bad Rohan's exactly what Nava's always wanted: the perfect bad boy fling with no strings attached, because he may also be the one to bring down her carefully erected emotional shields. That's as dangerous as all the evil fiends vying for the bragging rights of killing the only female ever chosen for Demon Club. Odds of survival: eh. Odds of having a very good time with Rohan before she bites it: much better. Perfect for fans of Darynda Jones, Chloe Neill, Jeaniene Frost, and Ilona Andrews.

Customer Reviews

More R rated, not X rated, Buffy the Vampires Slayer like. Love the raunchy origin of how Nava comes into being chosen. There is also Lost Boys inspired characters. Few books make me laugh so hard I cry, and that happened. Excellent story.

Omg, what a read! Now I have to wait for the next rasha mission, taking down a king. Ms. Wilde's imaginative storytelling is sure to be the author that must be read.

Fantastic series. Has a kick-ass heroine, demons, romance. a burrito of a good book.

I could not put it down. I would recommend this book to anyone who likes action stories and doesn't mind a little sex.

A breezy, quick read, looking forward to learning more about the characters world. If there be demons what else goes bump in the night?

Sexy , funny , and totally entertaining. An all around good read.

This was fun and sexy with plenty of action love this read. Breathlessly waiting for next book. Wild ride for sure!!!

I really did love this book, I like learning new worlds with the character. I have really high hopes for the next book and a little afraid they are too high.
