Journey Through Luxembourg (Journey Through Series)

Synopsis

From fantastic sandy beaches to idyllic vineyards and ancient churches, this series travels through some of the most beautiful locales in Western Europe. Three picturesque German cities are explored, from East Frisia's tidal flats and the prestigious palaces of Stuttgart to the famous temples of Thuringia. A captivating tour through the Eifel mountain range reveals a diverse array of scenery, deep and mysterious volcanic lakes, and striking examples of architecture, such as the Maria Laach Monastery, the castle of Burg Eltz, and the Aachen Cathedral. The arresting features of Luxembourg are also showcased, from the wooded hill country of the Oesling to the region's imposing castle and fortress ruins. Underscoring each locale's rich cultural history, these guides also detail their famous personalities and culinary delights, rounding off a collection of perfect getaways for European natives, tourists from abroad, and armchair travelers alike.
