Ordering this book I had expected to find more traditional folksongs in it. Although the book has several such as 'Michael row the Boat Ashore' and 'This Land is Your Land' I had hoped for more. I did enjoy the piano accompaniment, but often found the guitar chords difficult (I'm only an amateur), especially when I compare these with the chords noted for the same songs in the book 'Rise Up

Singing'.

Found all my favorite folk song.

A mix of everything Folk. Very nice arrangements that are not difficult. I love this music book!

Clear printing, nice paper quality used. Page turns were are basically in a user friendly place

Has a bunch of the very great folk tunes I love. Easy to play and sing at a very reasonable price.
