Toddler Town: Seaside

Synopsis

What things can you see by the sea? This new series of illustrated board books provides an ideal introduction to the seaside for toddlers who are just beginning to discover the world around them. The pages feature die-cut holes for young readers to look through, so that they can see part of what is happening on the next out-and-about scene.

Roger Priddy's passion for educating children through fun, informative and engaging books has led him to create some of publishing's most enduring and successful non-fiction early learning books. Roger lives in London with his wife and four children, who have been the inspiration behind many of his best publishing ideas.

Bought it for my daughter who is a speech pathologist. She loves the visual prompts for working with her preschool students, especially the ones just developing speech.

My infant/toddler students love it!

Great book for grandchild a first or second trip to the beach !

Adorable book

Adorable book for the beach!

This is a darling little book, especially for my niece since we attend the beach a lot!

Such a cute little book! My beachbaby is going to love it!

Cute and educational fun book!
