Iceland, a Nordic island nation, is defined by its dramatic landscape with volcanoes, geysers, hot

springs and lava fields. I've no idea to travel in Iceland but I really enjoyed reading this book as I love to read about other countries and cultures. In this book the author Alex Pitt has shared many useful information about Iceland such as Icelandic people, cities and culture, about visas, helpful tips, typical costs and shopping in Iceland, and much more. Great informative book, you would like it.

I enjoyed learning about the history of Vikings and medieval era in addition to the learning about the geography and variable climate of Iceland. The book breaks different parts of Iceland down and tells you what attractions to see, where to eat, where to stay as well as advice on how to travel. My wife and I have been to Iceland and loved it. We are planning to visit again soon. This is a mystical place. You will most certainly enjoy the book.

If you've never visited Iceland or plan on visiting but don't know where to go then this Iceland travel guide is the perfect starting point. This book was worth every penny and I would highly recommend to anyone traveling to Iceland, with the disclaimer of doing some extra research on the side. Reading blogs of other travels was very helpful.

Perfect trip guide for Iceland. Gave us a good idea of the things to see when we do our self-drive tour of Iceland. Very nice book, looking forward to using in up coming trip. This book gives a good general overview of the highlights of Iceland. Highly recommend traveling to Iceland, along with this book.

A complete guide with many details on all the necessary travel informations to Iceland, listing all the sights, attractions, hotels, restaurants, dozens of excursions with price details, day tours, places of interest and much more. Very helpful in planning my upcoming trip to Iceland.

This was the first traveler book I read for Lost Travelers but I'm quite impressed. This book provides valuable insight for travelers to appropriately for a trip to Iceland. We just got back from Iceland and used this book a lot.

Well Written!!! This is a very helpful guide for Iceland Travel. I really happy with this guide. You can learn many tips from this guide and Iceland. I highly recommended for all traveler.

Getting ready for a trip to Iceland at the end of the summer. This book is great because it's a handy guide to many different areas and the way the book is organized makes it easy to plan our trip. Very informative about all aspects, Suggested..!
