Anne Of The Island (Anne Of Green Gables)

Synopsis

One of the most loved characters of all time Leaving home for college is never easy. Yet being on her own and making new friends is more exciting than Anne Shirley every dreamed possible. Not only does she sell her first story, but she also gets a marriage proposal--from the last person she expects. There's never a dull moment when she moves into a cozy cottage with her girlfriends, gets adopted by a troublemaker of a cat, and helps her best friend Diana plan the most beautiful wedding Prince Edward Island has ever seen. Just like Anne's friend Philippa says, something about Anne makes us "long to be better and wiser and stronger." It's no wonder she's a favorite character of everyone from Mark Twain to Duchess Kate and loved by generations of readers around the world. This new edition lovingly restores the original, unabridged text and includes an all-new, exclusive introduction with special memories from L.M. Montgomery's granddaughter.

Customer Reviews

Arrived a bit bent from shipping. But my mother in law was excited.

Love it.....

This is a terrible copy of this book. It was printed in a format that looks like the size of a math workbook. I gave it away.

I cried 2 round fat tears at the very end of this book. One for Anne and one for Gilbert Blythe. This is what love is made of.

This is a story for any generation or gender. Anne has a great outlook on life.

I'm a fan of L. M. Montgomery and the sweet stories she wrote. Nothing truly horrible happens; no bloodshed or gruesome murders. Reading too many of her stories in a row may cause a bit of a sugar overdose, but they're great for bedtime reading and calming the mind before sleep.

Beautiful edition of my favorite book out of a beloved, favorite series. I love the doodle cover illustration. It really looks as if the cover illustrator had actually read(and loved!) the book.

I adore this book and the beautiful dust jacket. The set looks so pretty on my shelf.
