Cyndi Marko studied Fine Arts at Okanagan University College and she also studied Graphic Design and Prepress Technology at Humber College in Toronto. KUNG POW CHICKEN is her first children's book series. She currently lives in Canada.

Fantastic book series for students just getting ready to break into chapter books. These stories are very engaging! I love the full color pages, and goofy puns. I often have to explain some of the chicken puns to the 2nd graders I work with, but that just makes it more fun, I think!

My kindergarten age son loves the Kung Pow Chicken book series. Easy enough words for him to attempt to read plus the speech bubbles of a comic book. I like it because it gets him excited about reading.

grandsons love this series!

It was Gucci Me like part where chicken gets salty It was funny Good for people 6-10 six to ten

My son that is just starting to read LOVED this book!

what a fun series!

Again, my son loved this. Super silly, yet clever, this graphic novel gets kids to read!

Awesome series! In my case, my son does not enjoy reading that much (would much prefer to do math problem or science experiment). These books were a great mix of comic book style, humor, and full real reading. I look for more opportunities to purchase books from this author.
