Bhakti Mathur grew up in Delhi, India. She lives in Hong Kong, a city that she absolutely adores, with her husband, her two sons, Shiv and Veer, and their beloved golden Labrador, Frodo. She is a banker by profession and currently works for a major Asian Bank. Bhakti's love for books started from a young age. Her mother was a librarian and as a child she landed up spending many hours in the library. Books proved to be great and inexpensive baby sitters! The idea for the

'Amma, Tell Me' series of books came as a way to introduce her sons to Indian mythology and festivals. When not writing, working or running after her boys, she is happiest curled up with a book and a hot cup of chai.

This series has very negative language. The author could've chosen different and age appropriate words to communicate the story and the message.

The last in the Krishna Trilogy, "Amma Tell me how Krishna Defeated Kansa" is an action-packed book with something we all love - a Happy Ending! Bhakti, once again manages to beautifully retain the essence and depth of the mythological tale while simplifying it for young readers. Maulshree literally brings the story alive with her illustrations! A complete delight for kids and parents too!

It is a delight to watch kids enjoy Bhakti Mathur's story books on Hindu Mythology. The beautiful combination of simple, child-friendly story telling and the eye-catching illustrations make them a must for young kids. I had a real taste of it when our 4 year old grandson, Siddarth Rao listened to the reading of Bhakti's "Amma Tell Me How Krishna Defeated Kansa" by Alexa Sharples.

Yet another amazing tale from the author's amazing collection of Indian mythology. The book lives up to its expectations and does a brilliant job at concluding the trilogy. A must read for everyone who has been enamoured by Krishna and his tales!

Bhakti and Maulshree have been a great source of inspiration and help to all the parents who are eager to teach their kids Indian Mythology. The illustrations are very lyrical, and the lyrics are very illustrative!
