## Customer Reviews

Mr. Gray is a Los Angeles based Cartoonist and Professional Daydreamer.

This is an amazing coloring book! Nice pages for just about any medium to color. I have purchased this book twice so far for both of my kids. I will be getting a third for myself and now have other friends and family that have asked for it. My kids watch Mr. Gray on periscope every Wednesday to

draw along with him. They adore him and have a ton of fun! They also watch his YouTube videos as well on how to draw. Mr. Gray is also very encouraging and inspiring to my kids which is amazing! The way my kids look up Mr. Gray he might as well be part of the family. When they got his coloring books in the mail you would have thought it was Christmas but better they were so excited! Although Mr. Gray - Meadow says you better get a move on she's getting these done quickly and needs another one! Haha!!

They say "laughter is the best medicine"...well so is coloring! Thus I own several "adult" coloring books. The Animals & Friends Coloring Book Vol. I by Mr. Gray is by far my favorite. It combines incredibly cool drawings with fun facts AND even has little hidden objects to search for :) It truly is a "must have" for the young AND young at heart! 5 THUMBS UP!!.....or maybe just 2.....cause I only have 2.

Just what I expected.. and more! I couldn't be happier with my purchase! Can't wait for my kids to get their hands on this!

I bought these for my mother and grandson. My mother is 80 and having issues with her memory. So I got it just to see if it help stimulate her mind, and it did. She really enjoyed coloring. It. I ordered her the second one, and just finished the review. This was a great idea that came from a friend, he bought one for his father for the same reason. The one for my grandson is obvious kids just love to color and read. Thanks

This coloring book is truly unique. The characters are all one of a kind and not generic like most coloring books and hilarious. They're really adorable and make your kid smile, all while learning fun facts. I'd be lying if I said I didn't learn something from them as well. Lol. I'm buying a second one so I can color the same picture along side my son. Great buy!

My family loves cartoons, but we had a tough time finding a fun cartoon coloring book. Finally, "Mr. Gray" has put together a classic coloring book with tons of awesome and very funny characters.. I highly recommend getting lost in Mr. Gray's coloring book and letting your imagination run wild!

Great coloring book. Even fun for adults.

Nephew loved it.
