50 State Quarters Collector's Folder: 1999-2008 Denver & Philadelphia Mints

Synopsis

It's a coin collector's dream folder, with a space for every state's newly designed quarters--arranged according to the year each was minted--along with dozens of fascinating facts. When Congress passed the "50 States Commemorative Coin Program Act" in 1997, which led to the creation of quarters honoring every state in the union, its members especially hoped that young people and their families would collect these memorable tokens. This handy folder will help youngsters realize that goal and hold onto these special keepsakes, which are being released over ten years in the order in which the states ratified the Constitution. In addition to the slots for the quarters, kids will find a description of the Commemorative Coin Program; a history of the United States Quarter Dollar; a list of state capitals, nicknames, mottoes, and more; details on how the 50 designs were chosen; and an account of how coins are manufactured by the U.S. Mint and distributed by the Federal Reserve Bank.

Customer Reviews

This time deliver ok ,is new

It's great

everything that i ordered and happy that it was at a good price too.

I looked for this in stores, but are hard to find. I have a granddaughter who just became interested in coin collecting. Perfect for her

Excellent quality and service!

Didn't realize there was room for two quarters for each state. Wish I had gotten a folder with just one slot per state. So hard to find all the quarters.

The booklet is sturdy, colorful, and keeps my quarters organized. It has spaces for both the Denver and Philadelphia mints, which I didn't really need, but maybe some day I'll decide to save both. It arrived quickly and in excellent condition.

no beautiful pictures, no captions. the Denver and Philadelphia difference doesn't matter to me at all. i regret buying it.
