# Corporations And Other Business Organizations: Statutes, Rules, Materials And Forms (Selected Statutes)

## Synopsis

This compilation contains statutes, rules, materials, and forms affecting conventional business corporations, benefit corporations, flexible purpose corporations, general partnerships, limited liability partnerships, limited partnerships, limited liability limited partnerships, and limited liability companies. In addition to the Delaware statutes for corporations and LLCs as well as the Model Business Corporations Act, select provisions from other states are included to provide a rich array of comparative approaches. Disclosure and governance guidelines of the New York Stock Exchange as well as recent interpretive guidance on important corporate issues from the SEC are included. The materials also include illustrative documents such as an LLC operating agreement, proxy form, and poison pill rights plan. The materials are expertly arranged by leading scholars in the field and are intended for law school study.

## Book Information

Series: Selected Statutes

Paperback: 1692 pages

Publisher: Foundation Press; 2016 edition (July 12, 2016)

Language: English

ISBN-10: 1634608577

Best Sellers Rank: #234,468 in Books (See Top 100 in Books) #78 in [Books > Law > Business > Commercial](#) #98 in [Books > Law > Business > Corporate Law](#) #2519 in [Books > Textbooks > Law](#)

## Customer Reviews

This was the only book my professor could find for us that contains the basic statutes and model statutes for basic business organizations. It is filled with tons of crap you don't need at all. It is super heavy and thick. A lot of people in my class just tore it into individual pieces. I don't like to destroy books, so I just carried this hunk of junk around campus everyday--what a pain in the \*&#\*, Also, almost all of the contents are available for free online (albeit spread out and in multiple editions). Typical legal scholar--copy a bunch of stuff from the free domain, put it in a book, and charge law students up the &#\* for it. Thanks.

I bought this because it is required for my corporations class; but it will be useful in practice too. My only complaint is that the cover is very flimsy so it's easy to damage. Superficial complaint. It's voluminous so it pays to tab the important pages and divide the sections for easy reference. I prefer this to other collections of corporate legislation because it contains most of the text instead of just excerpts that the editor considers to be important - context can be important.

Kinda antiquated given you can get all these rules online or through westlaw or lexis. It's just easier than carrying around this dense book. Can't tell you if Bloomberg has the rules; I hate that website.

Has a lot of useful documents for reference. Good for anyone taking Corporations or any class of the like.

required for law school.

perfect as expected.

Received as soon as published! Thanks!

Best book on market for a complete listing of statutes for NEW York, Florida and Delaware. Love the sample forms
