My Ultimate Softball Journal (My Ultimate Journal) (Volume 1)

Synopsis

Having a daughter who lives and breathes softball, it dawned on me how much of her life she spends on the field. More importantly, I realized how many memories and friendships she has made at the ballpark, both on the field and off. It was then that I realized, these are memories that she would want to document. But she is not the "Dear, Diary" type, and in a flash...the journey began. Try looking up "Softball Journal" in a search engine and what you will find are essentially notebooks with pictures of softballs on them. That's where this book is different! "My Ultimate Softball Journal" allows you to track where your hits were as well as important game stats like, the team you played, final score, whether you won or lost and most importantly, a place for you to list your best memory from that game. Maybe it was a great play you made, the home-run you hit or perhaps the unexpected encouragement you received from a teammate. In addition to this information, throughout the journal you'll find Coaches Quotes and Fan Feedback. These are little comments and outbursts that I'm sure you've heard said at one point or another at the ballfield. Things like "two-out rally", "keep your eye on the ball" and the always useful..."HEADS UP!!!" I hope you and your teen enjoy "My Ultimate Softball Journal", now, as well as years from now when you're looking back on the memories you listed. Now go outdoors and make some memories!!

Keith Wheeler currently lives and writes in beautiful, southwest Missouri. He considers himself "one of the lucky ones", being blessed enough to marry his high school sweetheart, Suzette. They have 4 loving children and spend most of their spare time at the softball field either watching their daughter

play, watching a friend's child play or volunteering at the concession stand.

I bought several softball journals to give as gifts for my students, here are pictures of them with size comparisons and what they look like inside. I liked them all. Jo Keller, Diamond Fastpitch.
