Ard Bia Cookbook

Synopsis

Ard Bia, one of Galway's most enduring restaurants, is about expecting great local food with an unusual twist, the best of Irish produce served with a little exotic magic: seasoning Atlantic scallops with tangy sumac, indulging pomegranate cake with freshly whipped Irish cream, pairing local produce with eclectic influences from the Middle East and beyond. This is a unique and family friendly cookbook with Ard Bia favorites. ""Travelers who have fallen in love with Ard Bia, the little restaurant near the Spanish Arch along the quay in Galway, can now re-create its dishes at home.""-The Boston Globe ""As much a keepsake as a collection of recipes. Filled with quirky photos and drawings, it honors the beloved restaurant's mission and menu.""-Atlanta Journal Constitution

Ard Bia isn't just a place to eat, for with its gallery, its market, its breast-feeding mornings, its Steiner School, its fashion shows and club nights, it's actually a community, a universe unto itself. Oh, and the grub is mighty, mighty, singular Galway food. --The Bridgestone Guide: 100 Best Places To Eat
Ard Bia, the Gaelic of High Food, could not be more aptly named as Aoibheann's energetic enthusiasm and commitment to quality are evident throughout, and her passionate use of local and artisan produce has really put this atmospheric restaurant and cafe on the food lovers map. --Good Food Ireland

Gorgeously put together. I had the joy of dining in this restaurant and this book is the perfect little gift to myself to preserve the memory.

Beautiful cookbook. I have spent a lot of time flipping through the pages and believe it is very clear and thoughtful. I am very selective about the cookbooks I purchase, and this is one of about 5 that I have thought worthy to buy in the last few years.

A great cookbook for Tasty, hearty, wholesome home cooking. From one of the top restaurants in Ireland. Easy to follow. Delicious pictures. A joy to read. Worth its price, since you get so many tasty Irish recipes. The ingredients are easy to assemble, and it is not hard to make flavorful meals, that your family will enjoy. Five Star rating. (And I am a foodie... LOL). It does for Irish home cooking what Julia Child did for French...!

Picked this up in Galway but wanted additional copies that I didn't need to lug around Europe

Equally beautiful prose and recipes.

wonderful restaurant in Galway, Ireland. recipes are interesting, earthy and elegant, as is the layout of this cookbook itself, Plenty of vegan and vegetarian options.

The book is great but it looked more beat-up than I expected from the ad. Still, the recipes work! Try my fave, the soda bread.
