Customer Reviews

This is a really decent word search puzzle book for the price. The paper it's printed on seems to be pretty good quality and this book has a definite heft to it. One could say that I'm a bit obsessed with word search puzzles. They are something I enjoy doing while watching TV or listening to podcasts. I am very picky about what books I buy simply because if a layout is unattractive or the paper is too thin I will lose interest very quickly. I don't foresee this being a problem with this book and I'm looking forward to trying out the whole series. I would definitely recommend this other word search enthusiasts.

They are good for the mind.

Good puzzles

This was a gift and it was loved.

Gave as a gift and she loves it

I LOVE PUZZLE BOOKS!!! LOOK AT MY HISTORY!!!!

I received this beautiful Inspired To Grace Word Search Puzzle book just in time for my nursing home ministry. There is one special Christian lady that loves word search puzzles so I am thrilled to provide her one hundred puzzles in large bold print that not only will increase her cognitive ability but will also encourage and inspire her while she works them. She has had so much tragedy in her life lately so now I know that God's scripture forwarding each puzzle will comfort her. The scriptures are taken from the Holy Bible, New International Version, Revised Standard Version, Holman Christian Standard Bible, New King James Version, The Holy Bible, King James Version, and the New American Bible. This would also be a great ministry tool for Sunday School Teachers as each full page scripture is worthy of framing or posting on a bulletin board. With one hundred puzzles to choose from, you're sure to find one that coincides with your Small Group Study. They are printed on sturdy paper and combined in a durable binder. I always feel that any money spent on increasing your knowledge of God's word is an eternal investment so I know you will receive your money's worth from this book. I am glad I found this one and plan to purchase more of the books sold by [...]. They also have adult color books, prayer journals, Bible Study journals and books of verses for men and women available along with other puzzle books. I am glad to have found something my friend loves to do that will also speak to her heart.

I have ordered several of the Inspired to Grace coloring books and they have all been fantastic! So I was super excited to see that this company was now creating word searches. I ordered both volumes 1 and 2 to give as gifts along with the coloring books. These word searches have the same super soft, really nice looking covers as the coloring books. They do give off a high class vibe. All of the pages are single sided! No lines going through your unfinished puzzles. Yay! Printed on the backside of each page is a Bible verse printed against a black and gray background. There are 100 word search puzzles included in this book. I was expecting the puzzles to contain a Christian theme with the hidden words but they are just random words that really have nothing to do with each other at all. There is no theme. :(Here's an example of the jumble of words in puzzle # 22 - bomb, drop,

jewel, outgoing, rigid, smile, temporary, brother, fearless, kindhearted, party, secretive, suspect ...Each puzzle contains 25 hidden words. They are hidden in all different directions- up, down, left, right and even diagonally.I was really just expecting more from these puzzle books. I found these puzzles to be pretty easy to complete.I guess they might provide a challenge for some people or maybe if you just want to do a quick relaxing puzzle then these would work fine for you. The recipient I have in mind for this book is an older person that I think would still enjoy these puzzles even if they aren't what I had in mind.I did receive this word search puzzle book at a discounted rate in exchange for my honest opinion. This does not affect my thoughts about this item in any way. I only get items to review that I would normally buy or use anyway. I am an customer and always rely on reviews to assist in my purchasing decisions. I always review products based on my personal experience with the item being reviewed.I hope you found my review to be HELPFUL in some way. If so, please click YES below.Thank you! :)
