This is the best book that I've read on the palace at Knossos -- and I've read quite a few. For someone wanting to get a good, basic idea of the layout of the palace and what artifacts were found where, this book is perfect. The descriptions help bring clarity to what is typically a labyrinthine subject. Great pictures and reconstructions. I also liked the summary of the myths about Knossos and the Minoans in the beginning of the book.

Printed in Greece, made of quality paper. A detailed look at Knossos.

Good informative little book on the history and archeology of Knossos! Lots of photographs!

A good reference book and enjoyable to read and look.
